

## Announcing the 2007 Wisconsin Agronomy Update Meetings

University of Wisconsin – Madison  
Department of Agronomy

The Department of Agronomy will offer Crop Production and Management Meetings at eight locations during 2007. Joe Lauer, John Gaska and Dan Undersander will present the latest information on hybrid/variety performance, an analysis and discussion of last year's growing season, and updated recommendations for field crop production. There is a \$12.00 registration fee per participant; meal cost is extra. **Please pre-register with the Host Agent.** Certified Crop Advisor CEU credits have been requested (2.5 hours in Crop Management). Below is a list of topics, meeting sites, dates and times. Please join us at meeting in your area.

2006 Wisconsin Hybrid Corn Performance Trials - Grain and Silage (A3653)

2006 Wisconsin Soybean Variety Test Results (A3654)

2006 Perennial Forage Variety Update for Wisconsin (A1525)

Small grain varieties for grain and forage in Wisconsin - 2007 (A3397)

Agronomy Advice articles

Wisconsin Crop Improvement Association updates
