☐ 107 Soil Fumigation
☐ 109 Chemigation

To obtain certification in subcategories, you must first be certified in either the General Farming, Fruit Crop, or Greenhouse & Nursery base category.

**DVD, Greenhouse & Nursery**

$12 for each DVD

☐ DVD
☐ 104 Greenhouse & Nursery

DVD contains presentations given at the live training session.

**Training Sessions**

Please select:

Training Sessions are not available for Aerial Application, Agricultural Fumigation, and Chemigation subcategories.

Live Training Session, General Farming

☐ Fruit Crop and Greenhouse & Nursery applicators are invited to attend the General Farming live training sessions. I will contact my local county UW-Extension office to obtain current General Farming live training session and exam schedules.

Live Training Session, Greenhouse & Nursery

☐ I wish to attend the Greenhouse & Nursery training session listed below. A single statewide Greenhouse & Nursery training session for private and commercial applicators is held after the first of the year. Check our website (www.patstore.wisc.edu) after November 15 for scheduled date. Exam will be administered the same day.

</table>

If applicable, include your PO Box above to receive a session confirmation letter 7-10 days before the event.

Self-Study

☐ I will self-study the training materials and make arrangements directly with my local county UW-Extension office to take the exam.
