Training Sessions Training Sessions are not available for Subcategories of Aerial Application, Soil Fumigation, and Chemigation.

Live Training Sessions, General Farm.
Fruit Crop and Greenhouse & Nursery applicators are invited to attend the General Farming live training sessions. Contact your local county UW-Extension office to obtain current General Farm live training sessions and exam schedules or check the following web site for a list of sessions (<http://ipcm.wisc.edu/pat/downloads/private-applicator-training/>).

Live Training Sessions, Greenhouse & Nursery.
I wish to attend the Greenhouse & Nursery session listed below. A single statewide Greenhouse & Nursery training session for private and commercial applicators is held after the first of the year. Check our website (www.patstore.wisc.edu) after November 15 for scheduled date. Exam will be administered the same day.
