**Wisconsin Commercial Pesticide Applicator:**

**Companion Animals**

5th ed., January 2016. 141 pages

**Authors**

Steve Tomasko, Extension Outreach Specialist, Pesticide Applicator Training Program, University of Wisconsin

Glenn Nice, Extension Program Manager, Pesticide Applicator Training Program, University of Wisconsin.

---

**Commercial Category 11.0**

3 Certified Applicators

**Examples of Applicators**

- Pet groomers
- Employees of pet boarding businesses/animal service industries
- Veterinarians and veterinarian technicians
  - Note: licensed veterinarians and board-certified veterinary technicians are exempt from pesticide certification requirements as long as the application is made in the course of veterinary treatment.

**Examples of Applications**

- Treating pets for fleas, ticks, lice, and mites
- Areas (other than homes, residences, lawns) such as kennels where pets are confined (GO TO Category 3 for treating lawn and Category 7.1 for treating homes and residences; Option 7.1 for treating kennels)
- Up to 10' into lawn from outdoor kennel
